Proposed Agreement Released

PLACENTIA — A proposed agreement with the Placentia Unified School District was released last week by the Placentia Unified Education Association as the basis for negotiations on new policies for the coming year.

Under the proposal the Certificated Employees Council would be the exclusive negotiating agent for certificated personnel.

The second article states that the agreement would expire June 30, 1972 with negotiations for a new agreement beginning 90 days before this date.

A proposed negotiating procedure calls for the use of a panel to arbitrate if an agreement is not reached in 30 days.

Under Article Four the board would not be allowed to make any changes in salaries, benefits, or working conditions not covered by the agreement without the concurrence of the PUEA or CEC.

Under Article Twelve, titled Quality Education, the PUEA is asking that class size maximums for all grade levels for each teacher, grade and subject be established with class sizes in September allowing for projected growth. They are also asking that the present teaching staff be rehired and that the student-administrator be raised at the secondary and district level. They also want the pre-school in-service period shortened.

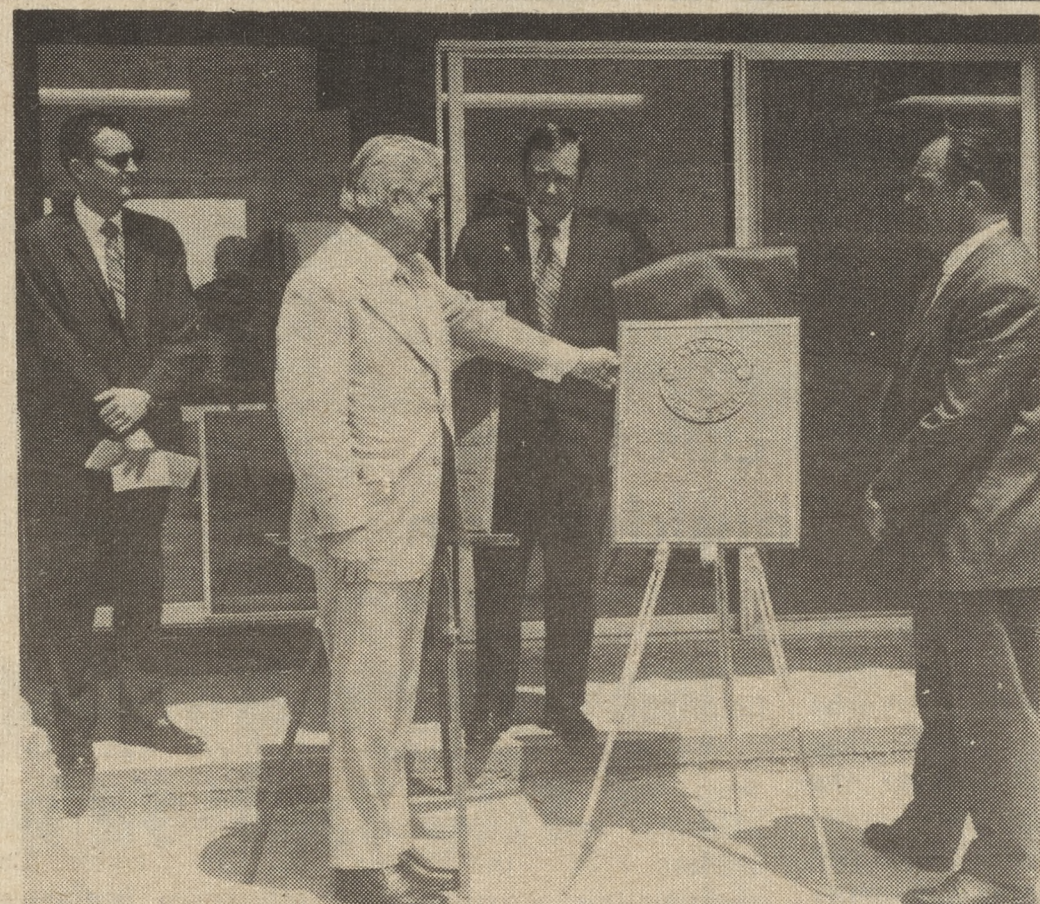

The document also requests that older schools be updated and that equipment be standardized in each school.

YL Trustees Review Drug Abuse Program

YORBA LINDA — Adoption of the development of a drug abuse program and review of a proposed policy for certificated evaluations headlined the agenda of Thursday's meeting of the Yorba Linda School District's Board of Trustees.

The tentative drug abuse program was outlined for the board by committee chairman Dr. Sterling L. Fox and Herbert Brayer, consultant from the Orange County Department of Education.

Objectives of the program include the identification of high-risk activities of appeal to young people and alternative behavior to such activities. Children completing the program, which would run K-8, should have acquired the "basic knowledge, and developed their own decision-

YL Library Board OK's Use Of Room By City Boards

YORBA LINDA — Permission was granted the City Council and Planning Commission to each use the multipurpose room of the new Yorba Linda District Library two Monday nights a month. The decision was made by the Board of Trustees when they met Thursday night in the spacious new board room, a far cry from the crowded little storeroom surrounded by boxes of books and library supplies where previous meetings were held.

Final plans were made for the library dedication June 27 from 2 until 5 p.m. John Hyma, chairman of the board will give the welcoming address and a singing group from Troy High School will provide musical numbers.

Jill and Sherry Burmaster will play the harp on the lower level in the community room where refreshments will be served by members of the Friends of the

making skills, to have acquired a sense of personal responsibility for their actions so as to be able to resist high-risk behavior detrimental to themselves and society." The program would implement, rather than supplant, existing church, family and community programs, according to Brayer and is designed as a preventative program.

Also reviewed by the board was a proposed policy for the evaluation of certificated personnel. The program would entail classroom visitation and supervision by a faculty sponsor along with the school principal, with discussion and evaluation of the teacher held throughout the year.

Additional agenda items included a review of the budget and personnel matters.

Library and the Yorba Linda Woman's Club. The library staff will act as tour guides of the new facility.

Mrs. Rosalin Carlson, representing the Friends of the Library, has donated \$100 which will go towards two coffee urns, a punch bowl and two dozen snack trays and cups. An offer to purchase a piano for the community room by Mrs. Ben Goffin, on behalf of the Music Arts Society of Yorba Linda, was accepted.

Other numerous requests for use of the multipurpose room were granted. Included was a class in drama, "Fiction into Film" by the University of California, Irvine.

Other items on the agenda were reports that the building has been officially released to the board; furniture and equipment is installed except for portable offices; that three more eight-foot tables for the community room would need to be purchased; and that landscaping will be completed by the dedication date.

Mrs. Katherine Citizen, librarian, was named by the board to represent them at a California Special Districts Association seminar July 27-30 in Santa Barbara.

Golf Course Study Received With Favorable Recommendation

YORBA LINDA — A report confirming the feasibility of the city constructing a municipal golf course under a lease-back type of financing has been received by the city from municipal consultants Wainwright and Ramsey of San Francisco.

The report states that the market for a golf course in the area exists and that it could probably return an immediate profit to the city for the general fund.

PUSD Board Rehires 15 Terminated Teachers

PLACENTIA — The Placentia Unified School District Board of Trustees voted last night to rehire 15 teachers previously given termination notices last month.

With the six rehired at the June 2 meeting of the board a total of 21 teachers have now been offered contracts for next year who were originally terminated.

Rehired were Mary Free, John Jenkins, Ismael Morales, Otilia Rivera, Marlene Cvengros, Victoria Bachman, Phillip Aberle,

James Eads, Sandra Jones, Lee Johnston, Pat Wireman, Martha Slater, and Sharon Haddy. Specialists rehired were Neal Becker and Barbara Phillips.

Board members appointed Howard Herbert to serve on the new Regional Occupation Program board but held up approval of the project until a board with an uneven number of members is approved by other districts involved. Anaheim, Fullerton and Brea.

Library Board Changes In Personnel, Position Listed

PLACENTIA — Mrs. E. Anne Thurston was officially named principal librarian and Mrs. Virginia Farmer elected president of the board when the group met Monday night at the Placentia District Library.

Mrs. Thurston will continue with the technical responsibilities of the library which she assumed as acting librarian after Mrs. Louise Tracer left in April. The new library director, David E. Snow, will conduct the administrative duties of running the library.

Mrs. Irene Czaplinski, whose term as president expired Monday, has served in that

capacity three times since she took her place on the board in January, 1963. She was succeeded by Mrs. Farmer, who has been a board member since January, 1967. Vic Michel was elected secretary to fill the position left vacant by Mrs. Farmer.

Robert Hubalck submitted his resignation to the board which accepted it with much regret. Hubalck is moving out of the library district temporarily and in three months will move permanently to Yorba Linda. Citizens interested in filling the vacant position may obtain applications at the library and mail them to Mrs. Farmer in care of the library.

The board will meet Monday at 7:30 p.m. for a special session with Russell J. West, librarian consultant from Torrance, who will present his third and final report on the proposed library soon to be built by the district.

Transfer of about \$6,000 in maintenance funds was approved so that, in Mr. Snow's words, "the library can begin to spread some paint" badly needed on the old library.

Amendment Approved By Commission

PLACENTIA — An amendment to the off-street parking ordinance to require concrete floors in garages and carports in apartment zones and to require that 20 per cent of all parking be open air spaces to allow for the parking of recreational vehicles, also in apartment zones, was approved by the Planning Commission in a short meeting last Tuesday evening.

Commissioners continued a site development application by the Trucon Equipment Co. To June 22 because the applicant was not present.

They also set July 13 as the date for a hearing on an appeal by Winthrop Evans of Board of Zoning Administration denial of a request for a variance to build a wall.

Charges In Local Arrests Are Listed

PLACENTIA — In a story last week we reported that there were four arrests in the narcotics investigation in Carbon Canyon on June 2. According to the Placentia Police Department, Guy Steele, 2039 Gillian, and Daniel Thomas Hanley of 4021 Cartlen, both of Placentia, and David Edmond Wright 2461 Medford, Fullerton, are charged with narcotics violation dealing with the sale of dangerous drugs. Dean Alan Gaetke of 149 Beal, Placentia, is charged with disturbing the peace and assault on a police officer.

Registration For City Recreation To Be Held

Registration for the summer recreation program in Yorba Linda will begin this Saturday, June 19, from 9 a.m. to 12 noon at the Yorba Linda City Hall, 4845 Main Street.

Ken Sparks, recreation supervisor, has planned an interesting and varied program of classes and sports. Included are a Nature study program, art and interior decorating, baton, ballet, art and crafts, a tiny tot program, dance, modeling and charm, tennis,

softball, volleyball, archery, basketball, sewing, acting, language study and instrumental music.

A schedule of classes and activities will be available at the City Hall. Registration after June 19 will be from 8 a.m. to 5 p.m.

Renauds Visiting In Placentia

Mr. and Mrs. Clyde (Bud) Renaud and family of St. Louis, Missouri, are the guests of Mr. Renaud's mother Mrs. J.M. Renaud and his brother James at their home at 915 Aquamarine in Placentia. During their extended visit in Placentia, they plan to visit the many recreation spots in the Southland.

Program To Begin

The summer reading program at the Placentia District Library will begin with signups beginning June 21 at the library at 143 S. Bradford Ave., Placentia.

There will be pinatas, prizes, awards and a special fiesta for those who complete the summer reading program.

YL Committee Prepares For Paper Drive

The Yorba Linda Environmental Quality Control Committee will hold its first monthly paper drive June 19 at the Alpha Beta Shopping Center, 17506 Yorba Linda Boulevard, from 10 a.m. to 4 p.m.

Those planning to drop off papers are requested to tie them into manageable bundles or put them in paper sacks.

Subsequent paper drives will be held on the third Saturday of each month at the same location and hours. Money obtained from the drives will be used to further the work of the Quality Control Committee.

Members of the Friends of the Yorba Linda District Library examine books to be selected for the summer reading program beginning June 22. From left are Mrs. Arol J. Younger, Mrs. Albert Archer, and Mrs. Richard Kust.

Committee To Link Cities Held Under Consideration

The formation of a regional committee encompassing Fullerton, Brea, Placentia, and Yorba Linda to study the possibility of linking the four cities by open green areas or bicycle, horse, and walings trails is now under

consideration, according to Lew Motter, chairman of Placentia's Ad Hoc Ecology Committee. CIRCLE.

A meeting has already been held between civic officials and community leaders in the four communities to study the feasibility of the proposal.

"We are attempting to see how wide a range is practical before we consolidate the report to the City Council," Motter explained, "but we feel now that there is basis for further study."

The group will hold its next meeting June 17 at 8 p.m. in the El Dorado High School Lecture Hall. A report will be given by Herb Drapkin of Yorba Linda on a meeting in Washington D.C. designed to acquaint cities with information on open spaces and federal funding that might be available.

All interested citizens are invited to the meeting.

Story Hour Planned For Local Children

Plans were completed this week for the annual summer reading program to be held at the Yorba Linda District Library. With the new library addition finished, the program will be greatly enlarged this year.

Beginning at 10 a.m. Tuesday morning, June 22, preschoolers, ages 4-5 years, will attend a story hour. In addition to the story, craft projects, films, slides, skits, Spanish lessons, and songs will be presented at various times throughout the summer. Members of Friends of the Yorba Linda District Library will read the stories and assist Mrs. Claudia Hablett, children's librarian, with the other activities.

For the older children, ages 6-12 years, Mrs. Hablett has planned a similar but more mature program to be presented at 2 p.m. each Tuesday afternoon, beginning June 22.

This year the children will be reading and learning about Mexico. Boys and girls in the upper age group may check out books pertaining to the history and customs of that country. A replica of the pyramids found in Mexico will be constructed. Each time a child reads a book relating to Mexico, he will add another "brick" to the pyramid. Each youngster reading 10 books will receive a certificate and a "jaguar" pin.

Registration began in the library on June 15, where teenage volunteers are assisting Mrs. Hablett with this phase of the program. The story hours will continue each Tuesday until August 24 with a party being held that day for all the children who participated in the program.

Health News . . .

There Is No Such Thing As Instant Arthritis

Dr. Donald Brinkley of the Brinkley Chiropractic Center was reviewing recently the public attitude regarding such major health problems as arthritis.

It seems as if we are living in an age when everything is 'right now.'

"Take arthritis, for example," says Dr. Brinkley.

"We have all seen the TV commercial that shows a lady painfully fumbling with the bow on her dress while the announcer suggests she should seek temporary relief."

"Mind you, he doesn't suggest cure or permanent correction, but simply a pill's worth of partial relief. You'd think there was something called instant arthritis," says Dr. Brinkley.

The good doctor then asked the question 'what came before?'

And he illustrated his point.

"I think practically everybody that now suffers from arthritis once experienced a twinge of pain in the knee or a finger that stiffened after

a minor stub or a crick in the neck."

"That is where arthritis starts," says Dr. Brinkley, "and as far as I'm concerned that is where it should end. Please believe me," he added, "there is no such thing as instant arthritis."

Dr. Brinkley's point is that if an individual has a 'little bursitis' or feels 'creaky' when he or she gets up in the morning, it should be accepted as nature's warning.

It is at that time that competent effective diagnosis and treatment should be sought.

"There's no disputing that arthritis is a costly, miserable condition," says Dr. Brinkley.

"But I wish people wouldn't simply resign themselves to facing it. The public must learn to fight the battle with arthritis when it can win it."

If the battle is to be won, in other words, it must be fought where and when it can be won.

"I don't think you'll find an arthritic disputing this point," says Dr. Brinkley.

Further information regarding this problem can be had by writing the News-Times, Box 10, 130 N. Bradford Ave., Placentia, Calif. 92670.

YL Society To Sponsor New Project

The Music-Arts Society of Yorba Linda is starting a fund raising project, as announced by Mrs. Ann Spackman, to purchase a console piano to be presented by the society to the Yorba Linda Library for use in the new community room.

"A piano would benefit all groups using the lovely room," stated Mrs. Spackman. "The room will be used for musical programs, drama, recitals and also special activities for children."

Letters have been mailed to many groups and organizations in the Yorba Linda area asking for contributions to the fund. The goal is \$1,000.

Further information concerning the piano fund may be obtained from the library, and contributions sent to P.O. Box P, Yorba Linda, stated Mrs. Spackman.

Masada Chapter Sets Installation

vice-president; Mrs. Ben Taul, fund raising vice-president; Mrs. Paul Oeser, programming vice-president; Mrs. Belle Albert, financial secretary; Mrs. George Sulmeyer,

recording secretary; Mrs. Edwin Brosbe, corresponding secretary; and Mrs. Hy Pesner, treasurer.

Club Meets, Plans Active Membership

Dinner Club members met at the Orangefair restaurant to recall old times and fun the members had during the years of their activities. The club has not been active for several years, but plans now to get together once each month as they previously did.

Members are representative of the area and include Mrs. Helen Moulin of Anaheim, Mrs. Ila Holt of Whittier, Mrs. Ardeth Hanson and Mrs. Sylvia Snyder of Placentia, Mrs. Wilma Rivard of Santa Ana and Mrs. Beulah Carlson of Placentia.

Other members unable to attend this time, but who plan to be in attendance at the next meeting will come from Huntington Beach, Redondo Beach and Upland.

Water Company Warns Against Excessive Waste

With the advent of summer, water use will increase according to Gordon George, local manager of the Southern California Water Company. Even though our area has a plentiful supply it is well for consumers to be aware of a few facts that can help keep water use and bills down to actual need during high demand periods.

Two main areas in which water is often wasted is in summer watering and leaks. If the consumer waters excessively, most of the water runs down the gutter. It is wise to watch and when an area is watered sufficiently, turn off your sprinklers.

The water that no longer goes under ground but runs off and down the gutter is wasted and increases the water bill. The second area that should be constantly watched is the water leak situation. Faucets and leaking water closets can substantially add to waste and higher bills.

As an example: A 1/32nd inch stream (or drip) wastes 170 gallons in 24 hours. A 1/16 inch stream wastes 970 gallons in the same period. To go further, a 1/8 inch stream will waste 3600 gallons in 24 hours.

It is very easy to let a leak go, but it does cost money. A leaking toilet particularly, can easily waste over 3000 gallons in a 24 hour period.

While water is not expensive in relation to quantity delivered, it is still wise to try whenever possible to eliminate waste and preserve one of our precious resources.

VHS Holds Reception For Seniors

On hand to greet the members of the 1971 graduating class were principal Dr. David Tansey; assistant principals, Wilbur Waite, Anthony Miscione and Robert Jones; Girl's League president for 1972, Celia Castillo; and senior class officers, David Duffie, Carla Scanlin, Robert Snyder and Chris Wilson.

Held in the high school library, the reception followed the theme, "Those were the days," and was decorated under the supervision of Mindy Shreading. Refreshments were provided by the home ec department.

Assemblyman John Briggs, State Senator James E. Whetmore and Placentia City Administrator Edwin T. Powell break ground for the new Placentia-Linda Community Hospital on Rose Drive south of Yorba Linda Boulevard. In back are Placentia councilmen John Tynes and Jack Gomez, Dr. Scott Hall and Dr. Maurice Nadridge.

YES Will Open YL Location

The Youth Employment Service office for the Yorba Linda-Placentia area will officially open its doors in a different location today. While the phone number, 528-0630, is the same, the lower level of the new Yorba Linda library is the new location.

Members of the Yorba Linda Service League will staff the new office on Mondays, Wednesdays, and Fridays between 3:30 and 5:00 p.m. All those area residents 14 and 18 years of age interested in registering for employment opportunities are urged to come in on Wednesdays.

Random Shots by Jessie Pound

Before I go further with these columns, I would like to introduce ourselves for the benefit of "newcomers". I know we need no introduction to our many old and dear friends in the area.

Ray Pound, my husband, is owner, manager, photographer and chief lab man of Pound Photographs. I am his number one assistant in charge of just about everything else.

We have lived in Placentia since 1949. We have a son and daughter who attended Placentia schools from kindergarten, and an adopted son who joined our family when he was eighteen.

Yes, that little street in North Placentia was named after Ray, not as a photographer, but for years spent in civic duty when Placentia was

experiencing her first and most severe growing pains.

We own the building housing our studio so we shall probably be here for many more years.

Ray started in photography in high school - working in a portrait studio. Since then he has freelanced for years-doing everything from travel photography, working with models for advertising and illustration, action photos at rodeos, newsphotos and back to portraits. He is still learning and trying new methods and techniques.

I happen to think he is one of the best photographers around, but I know you will forgive my partiality.

Pound Photographs was established in 1959 with the idea of providing Custom Portraits and personalized service. Our motto through the years has been to consider our customers as friends, each with his own special need photographically. If we can't do it for you, we try to recommend you to someone who can.

Mr. and Mrs. Fred Schmidt

Fred Schmidt And Shirley Thompson Wed

In a lovely candlelight setting in late May, Shirley Ann Thompson and Frederick William Schmidt III recited their wedding vows. Reverend Ernest Rogalski, pastor, officiated at the ceremony at Bethel Baptist Church in Anaheim.

Miss Thompson is the daughter of Mr. and Mrs. Verne Thompson of Orangethorpe Avenue, Fullerton, and Schmidt is the son of the Fred Schmidt's of Pound Drive, Placentia.

The bride wore a gown of embroidered nylon lace and her tulle illusion veil fell into a long train. She carried a bouquet of turquoise carnations. Her maid of honor, Glenda Pickett of Forestville, Maryland, was

gowned in turquoise blue, and gowned identically were bridesmaids Barbara and Patricia Schmidt, sisters of the groom, and Jeanne Stevens, cousin of the bride. They carried nosegays of soft yellow carnations.

Schmidt chose his brother Roderic for his best man. Ushers included Bill Thompson, brother of the bride, and Robert, David, and Michael, brothers of the groom. Lissa Waller and Diane Schmidt attended the guest book.

The mother of the bride chose a soft pink sheath, with matching accessories for the occasion. The senior Mrs. Schmidt wore embroidered nylon organdy in foam green with matching hat.

Following the wedding the bridal party received the three hundred wedding guests in the fellowship hall of the church. Among the guests were Mr. and Mrs. B.E. Reilly of Bullhead City, Arizona, maternal grandparents of the bride, and Mr. and Mrs. W.V. Thompson of Corona, paternal grandparents of the bride. Out of state guests included Mr. and Mrs. Eddie Kunkle of Bend, Oregon, and Dr. Donald Kunkle of Phoenix.

After a wedding trip to Grand Canyon, the newlyweds are at home in Culver City. Mr. Schmidt, a recent graduate of UCLA is employed as an engineer at Data Source Corporation, El Segundo.

According to Marvin Stewart, principal at El Dorado, Mark has demonstrated outstanding qualities of leadership and has actively participated in athletics and other constructive school activities.

The Awards Assembly was held at El Dorado, under the direction of Col. White, Director of the Program.

During the same program Chief Sims presented the military excellence award to Cadet S/Sgt. Dan Kenney.

Cadet S/Sgt. Kenney is ranked in the upper 25% of his aerospace class in academic standing. According to Col. White, S/Sgt. Kenney has demonstrated outstanding qualities in Military Leadership, discipline, character, and citizenship.

Chief Sims commended the men highly and encouraged each to continue their education in preparation for the difficult years that lie ahead.

Dedication Made For VHS Tesoros

The annual dedication of the Valencia high school yearbook, Tesoros, was made recently with Mrs. Marcia Smith and Ray Pharr the happy recipients.

Mrs. Smith is in charge of the finance office at VHS where she keeps track of club and student body funds along with any other monetary job which requires her expert assistance. Her time is unselfishly devoted to the students she serves and her efforts have proved invaluable to many campus organizations.

Pharr is a member of the English department and has been advisor to the yearbook for approximately five years. During this time, he has expanded the book, included new yearbook concepts, and capably overseen a staff of fifteen to thirty students all of whom seemed to be going in several different directions at once.

The staff selected Mrs. Smith for the dedication with the approval of Pharr, because of her outstanding effort in the yearbook's behalf each year. The dedication was secretly changed to include Pharr when he announced his retirement as yearbook advisor, a job which will be assumed by Bernard Davis next year.

FFA Honors Members At 1971 Banquet

Valencia's Future Farmers of America held their annual banquet recently with awards and trophies going to outstanding FFA members.

Showmanship trophies went to Greg Holp, beef; Pam Heckathorn, sheep; Paul Fredericks, hog; and Larry Lopez, dairy. The trophies are awarded to those FFA members who have done outstanding showmanship jobs in their separate fields of interest.

Proficiency awards went to Rodney Barth, star greenhand award; Francisco Torres, star chapter farmer; Owen Unruh, agricultural mechanics; John Roth, ornamental horticulturist; and Miss Heckathorn, for dairy and agricultural business.

Torres and Miss Heckathorn also received State Farmer degrees which signify the recipient as an outstanding citizen, scholar, an active member of FFA, and one who has invested or earned \$1,000 along with the successful supervised completion of farm projects.

New FFA officers for next year are Rudy Felipe, president and Steve Moudy, vice-president, along with secretary Howard Sutherland, and treasurer Steve Potter. Charles DeCasas will serve as sentinel.

Ron Mooers Receives VHS Athlete Award

Taking top honors at Valencia's recent awards assembly as Tiger Athlete of the year was senior Ron Mooers.

Athletic director Dick Enright presented Mooers with the trophy Tuesday, June 8 for his many accomplishments.

Mooers top performance in his athletic career at Valencia High School was his fourth place rating in the state pole vaulting competition. The high-flying senior also achieved the number one position in the Orange County ratings after leaping 15' 2" at CIF track finals. He broke the previous record of 14' 10 1/4" set by Loara's Dennis Walp in 1966. Mooers also holds the Orange League record.

A co-most inspirational trophy was awarded to Mooers at the banquet for the Tigers 1971 Orange League championship track team. He was also a member of the 1970 champion track crew. His other contributions to the spikers title was in hurdling and distance running.

In tallying up Mooers achievements, he is also noted as being the team captain for the first place Harrier team. Mooers was also a member of the cross country squad in his junior year when the Harriers also gained Orange League top honors.

Mooers intends to continue his academic and athletic career next fall at Fullerton Junior College.

Astros, Expos Tie For First In City League

With just four games remaining in the Major League of the Placentia Little League, the Astros have caught up with the Expos to tie for first place. The Red Sox are just one-half game behind, pending the outcome of a tied game to be completed this week. Just two games separate the first six teams.

In the National Division of the Minor A's, all teams are bunched, with the Twins hanging on to a one-game margin. In the American Division, also, only one game separates the leading Reds from the second-place Cards.

In the Minor B League, both divisions are headed by undefeated teams. The Jets, in the Eastern Division, have a two-game advantage over the Chargers and

Rams. In the Western Division, The Chiefs lead the Falcons by two games.

Spotlight of the week is on the Astros. Losing only one game in the last ten, they have gone from a last-place tie at the end of first-round play, to a tie for first place.

Brad Johnson and Tim Smith, both fourth graders at Wagner School, prepare for the first annual Placentia Kids Wrestling Championships to be held at El Dorado High School.

Wrestlers Prepare For City Kids Championship

The El Dorado High School wrestlers are working very hard to prepare 75 Placentia elementary and intermediate boys, ranging in age from 7 to 14, for the Placentia Kids Wrestling Championships, June 26, El Dorado High School gym.

Individual weight champions and team champions will be crowned in the following weight and age divisions: under 8 years of age, 45, 50, 61 and 67 pounds; between 8 and 10 years of age, 50, 55, 61, 67, 73, 79, 85, and 93 pounds; and 11 to 14 years of age, 73, 85, 93, 101, 110, 120, 130, 140, 150, and over 150 pounds.

Medals will be awarded to individual weight class champions with second, third, and fourth place winners receiving ribbons. The team trophy will be given to the elementary school champions.

Indications are that each elementary and intermediate school in the city of Placentia will have a team entered. The boys are currently practicing on Monday and Tuesday evenings in the El Dorado High School wrestling room.

Interested persons are encouraged to attend any of the ten practice sessions.

YL Recreation Offers Playground Activities

Playground activities will be offered at three school locations this summer by the Yorba Linda Recreation Department.

Last summer Mabel Paine and Rose Drive playgrounds were open. A new one at Bernardo Yorba

will be added to the ones at Paine and Rose Drive.

Morning activities will include softball and basketball or soccer. The afternoon will be spent on free play, nature hikes, all-star games and various other activities.

Registration for this program and all other activities will be Saturday, June 19 at City Hall at 4845 Main Street.

Little League Season To End June 26

Elections of new officers of the men's and women's boards of the Placentia Little League were held last week. This year's season will end June 26.

With the help of many businesses in the area, 607 boys played baseball. League officials expressed thanks to all the merchants who sponsored teams this year and who contributed door prizes for the pancake breakfast and dance, including the Hacienda Hotel in Las Vegas for donating three days lodging as the grand prize for the dance.

Play Day Set By League At Kraemer Park

The Placentia-Yorba Linda Pony-Colt Baseball League will hold a play day at Kraemer Park in Placentia Saturday, June 19 from 4 to 9 p.m.

There will be carnival booths with games for all ages and prizes for everyone. Entertainment will be provided by the Blue Sunday rock group. The public is invited to the event.

Placentia Team Joins Fullerton, Foothill Clubs

The Placentia Aquatics Team has now become the Placentia Division of the newly formed Southern California Aquatics Club. With two other Divisions, Fullerton and Foothill, this new S.P.A.A.U. swim team will be challenging existing Southern California swimming powerhouses such as Phillips 66 and Lakewood.

2:28.4; 200 free, 2:10.1; 50 fly, 30.8. Her 200 Individual Medley time is six seconds faster than any Placentia girl has ever swam in any age group. Jay Bickford swam an outstanding 1:01 100 free and a 27.5 50 free at the Junior Olympics. His 27.5 makes him one of the top 11 year old sprinters in the S.P.A.A.U.

For starters SCAC swimmers set two S.P.A.A.U. records in 7-8 free relay and 7-8 medley relay. Alan Gresham and John Peterson of the Placentia Division and Mike Spicer and Mark Vellekamp of the Fullerton Division combined for the relay records.

Placentia Coach Walter Druff announced team "Swimmer of the Month" for May-Tracy Louderback and Jay Bickford. Tracy made finals in three events in the recent Junior Olympics. Her times were: 200 Individual Medley,

The next meets for the Placentia Division of the Southern California Aquatics Club are the Orange County Swim Conference Relay meet at Los Coyotes, June 19, at 8 a.m. and a dual meet with the Sandpipers at El Dorado High School on June 23, at 5:30 p.m.

Coach Druff welcomes any new swimmer to the daily El Dorado pool workouts for team tryouts. There's a place on the Placentia team for all swimmers, from novice to Olympic grade. Daily workouts are at the El Dorado pool from 4:30 p.m. to 7 p.m.

Marge Helander, president of the Placentia Republican Women, welcomes Shirley Pitchford and Janice Lyon to a recent club meeting. Mrs. Pitchford's husband, John, is a prisoner of war in North Vietnam while Mrs. Lyon's husband has been missing in action for five years. They told of their experiences and fight for information on their husbands.

Recreation Program Will Have Creative Approach

Monday, June 21, is opening day for the Arts and Crafts section of the Placentia Parks and Recreation department with Mrs. Beulah Carlson, again heading the program. Mrs. Carlson has served as director of the crafts activity for 13 years, and due to her world travels in Europe and throughout the United States, has many novel ideas to give to the children who attend the crafts gatherings.

New approach is being instituted in the program for the present summer, in that the children themselves will participate to a greater degree. For the first week of

the program the children are asked to bring with them as they come to the various locations which are assigned nearest their home, half gallon milk cartons; boxes from the family size tooth paste box. Empty toilet paper rolls as well as the small half size tooth paste box and a large piece of brown paper are included in the items to be worked on during the first week.

"Participation by the children in furnishing the needed articles," stated Mrs. Carlson, "will give greater emphasis on what can be done with items usually discarded."

New officers of the Morse School PTA are, front from left, Joyce Byrne, first vice-president; Corrine Patterson, president, A.C. Barlow, second vice-president; back from left, Sue Pinson, recording secretary; Joe Murray, treasurer; and Pat Kelly, corresponding secretary.

QUESTIONS & ANSWERS REGARDING CHANGES IN Fictitious Firm Name Law

Question: What is a Fictitious Name?

Answer: A Fictitious Name is one that does not include the surname of the operator or one that implies the existence of other owners: (such words as "Company," " & Company," " & Sons," "Associates," "Brothers," but not words that merely describe the business being conducted. Or, a Corporation, if it includes a name other than the name given in the articles of incorporation.

Question: Who needs to file a fictitious firm name?

Answer: All firms operating under a fictitious name for profit and it must be done under the new law by July 1, 1971.

Question: Does this include business established for many years?

Answer: Yes, although the new law does not become effective until July 1, 1971, businesses may re-file from now until June 30, 1971, preferably the sooner the better to avoid an anticipated rush as the due date draws near.

Question: Do all firms have to re-publish their statement?

Answer: The statement must be published if there has been any change in the information contained in the original statement, but need not be published if there has been no change in the information shown on the statement. File a new statement on or before December 31 of the fifth year after the year in which the original statement was filed.

Question: Where do fictitious names have to be published?

Answer: Publication of the statement must be made once a week for four weeks and begun within 30 days of filing, in a newspaper of general circulation in the county which circulates in the area in which the business is to be conducted.

Question: What is the purpose of the fictitious name procedure?

Answer: On July 1, 1971, the present code sections setting up the Fictitious Firm Name procedure (Section 2466, et seq. Civil Code) are revoked and new code sections (Sections 17900 to 17930 Business and Professions Code) replace them. The law was enacted to protect the consumer in enabling him to find out the person or persons with whom he is really dealing. If a new statement is not filed no person transacting business under the fictitious business name may maintain any action upon or on account of any contract made, or transaction had, in the Fictitious Business Name in any court of this state.

Question: What are the fees?

Answer: The new law calls for \$10.00 filing fees, plus publication costs, if necessary to be published.

Question: Where can fictitious name forms be obtained?

Answer: The Office of the County Clerk, Probate Division, Santa Ana Courthouse. Also The News-Times, a legally adjudicated newspaper. We will be happy to assist you in filling out and filing the necessary forms with the County Clerk.
